Robotics Content Creator

Description

Build your portfolio and share your passion for robotics with Learn Robotics! We're looking for people who love talking tech about robots to contribute and help us grow the LR blog!

Our Ideal Candidate has experience developing tutorials and projects using Arduino, LEGO Mindstorms, VEX, Python, C/C++, ROS, and can communicate complicated subjects in simplistic language. Also must be fluent in English (all posts will be in English).

If you're looking for a mix between creativity and technical, then this is the role for you! You'll gain your own column on the Learn Robotics blog, and have the opportunity to inspire thousands of minds.

Required Skills:

- Experience creating blog posts with emphasis on best practices in SEO, Alt Tags, KW Volume, etc.
- 1 year+ experience working in WordPress, Yoast
- Robotics Making, Hacking, Programming
- Fluent in English
- Confident creating graphics including video, images, and diagrams

Nice-to-have Skills:

- Prior Blogging experience
- Successful at growing Social Media platforms (Instagram, YouTube, Facebook)
- Video editing skills: Final Cut Pro X, Adobe Cloud, etc.
- Photography skills: high resolution photos, stills, etc.

Benefits include...

- Work from anywhere around the world
- Your own Column on the LR Blog
- Post on your own Schedule (1X per week at minimum)
- Learn Robotics SWAG
- Opportunity to become an ambassador/affiliate of our courses
- Technology Budget

If you're near the Boston, MA area, you can also swing by our offices and hang with us in person! ?

Just so you know...

- Relocation is generally not paid
- All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, protected veteran status, disability status, age, sexual orientation, gender identity and expression, marital status, citizenship, HIV/AIDS status or any other legally protected factor.
- Immigration sponsorship is not available for this role
- Benefits are not included, as this is a 1099 contractor role
